

■ GamesBuySell (GBS) – Whitepaper

■ Introduction

GamesBuySell (GBS) is not just another token—it's a movement to transform gaming into a true economy. GBS empowers gamers to own, trade, and earn from their passion. By uniting blockchain technology with gaming, esports, and NFTs, GBS is creating a transparent and rewarding ecosystem for players, developers, and communities.

■ Vision & Mission

The vision of GBS is simple yet powerful:

- Turn playtime into real value.
- Empower communities to connect across borders.
- Reinvent ownership in digital gaming.

Our mission is to build a player-first ecosystem where rewards are fair, transparent, and meaningful. GBS is not about speculation alone—it's about building a new future for gaming and digital ownership.
